## Celebrating Ten Years of Ministry

### © Senior Pastor Orim M. Meikle

*"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." (2 Corinthians 3:18)*

Amazing grace be extended to our ever increasing Canadian and international ministry family, from God our Father through Jesus Christ our Lord.

**Welcome to the month of August;** a month of movement and progression! For our national headquarters August represents the final month that we do ministry from a transient facility. Having travelled a very long journey we are now approaching the end of this phase and I am pleased to announce that September will mark our move into the new Rhema facility in Toronto. With a date of Sunday September 5<sup>th</sup> as the day of our first official service great expectation and excitement has begun to fill the atmosphere. The hearts of the people are stirred up to work, all hands are in and together we shall FINISH THE HOUSE!

This new move is a significant step in our quest for ultimate vision fulfillment and though physical in nature it is symbolic of an even greater spiritual movement that is taking place within Rhema. The Lord is moving us from our current spiritual level into a new dimension of glory. We are entering a time of:

**Unimaginable Faith** - We have entered a new realm of belief and with this level of faith nothing shall be impossible!

and

**Unprecedented Miracles** - with great faith comes supernatural signs and wonders; the age of miracles has returned to the house!

I decree that God has great things in store for our ministry!

With this new 21<sup>st</sup> century facility He has provided us with the arena in which to engage the ministry His Kingdom at its highest level. I would also like to say a very special thank you to everyone, our members, our ministry partners and our vendors for making this dream possible. It is your sacrifice along with your labour of love that has ushered us into this new dimension; may God bless you above measure.

Finally, I would like to remind everyone of our upcoming *Stewardship Day* in Toronto. On Friday August 20<sup>th</sup> please join us as we demonstrate a keen awareness of our call to be good stewards of the national urban park in which we call home. For more information on how you can be a part of this great initiative simply log on to [www.rhemaonline.ca](http://www.rhemaonline.ca) and follow the links for *Stewardship Day*.

Now, I invite you to march with us as we move from glory to glory; our time has come!

With love while *Changing & Affecting Lives*,

Your Pastor, Orim M. Meikle

## Where Are You Rooted?

*"Most blessed is the man who believes in, trusts in, and relies on the Lord, and whose hope and confidence the Lord is. For he shall be like a tree planted by the waters that spreads out its roots by the river; and it shall not see and fear when heat comes; but its leaf shall be green. It shall not be anxious and full of care in the year of drought, nor shall it cease yielding fruit."* (Jeremiah 17:7-8, Amplified Bible)

About a year ago, I was given a potted plant as a gift. It wasn't an ordinary potted plant however, as it held four different species of plants uniquely designed in the same container. It was beautiful, and I loved it. I began to nurture it; I watered the soil a little each day according to the instructions I received, gave it sunlight and displayed it proudly on my desk. However, about a month after receiving this splendid collage of plants I noticed that the most beautiful of the lot, the only one that bloomed, started to wilt. Despite my efforts it eventually died. A few weeks later a second plant began to wilt and subsequently a third, leaving only one plant standing.

I became frustrated to say the least and just couldn't figure out why my tender care was going in vain; why were they dying? What more could I have done to facilitate their growth? Yet, amidst my bruised understanding of the plant world I realized that the one plant that was still alive was actually flourishing; in fact it showed no signs of withering. I had treated it no differently from the others, yet it survived while they didn't. No doubt this plunged me into deep thought. [More ...](#)

## Sow Unto A Good Harvest

Contributing writer - © Akinwale Thompson

In the beginning, God created the world with everything having its seed in itself. Every action has a reaction, thus, if we pray for people, people will pray for us and if we sow financial seeds we reap God's blessing. God's principle works for believers and unbelievers alike.

Apostle Paul in Phil 4:15-19 tells us that *"... no church communicated with me as concerning giving and receiving, but ye only"*. This shows that you can be a believer but not necessarily acquainted with God's word concerning financial blessing. Another example is in Acts 19:1-7 where some disciples had not heard about the Holy Spirit. It was however, after Paul spoke to them about the subject, that they were filled with the Holy Spirit and spoke in tongues and prophesied. God will confirm his word on any subject to anyone with a willing and open heart. [More ...](#)
