*"And the sons of Aaron, the priests, shall blow with the trumpets; and they shall be to you for an ordinance for ever throughout your generations"*  
(Numbers 10:8)

To our ever increasing Canadian and international ministry family and friends, may God our Father increase and multiply your faith through Jesus Christ our Lord.

Welcome to August and a NEW SPIRITUAL SEASON! While on fasting, the Lord signaled to me that we are entering into a new spiritual season. As I began to write down the various things that I believed He was showing me, the spiritual significance of the message became clear: August, the eighth month of the year, will signal the start of a new spiritual season for God's people. We are entering a time that will be marked by a pronounced difference in the spirit realm and the natural realm. Here are some of the key things that the Lord has shared with me:

**The Collective Offering** - One of the key instructions that the Lord has given to me for this month is to organize our congregations for the act of collective giving. In simple terms, we are to give our offerings at one time and in one continuous motion each time we assemble together (Psalm 133:1).

**The Collective Shout** - At the same time and in the same motion as our collective giving, the Lord's instructions are for us to shout over our gifts. "Why?" you may ask. The answer to this is twofold: firstly, the enemies of God's Kingdom will know that the shout of a king is among us! Secondly, the shout is perhaps the highest frequency in the spirit realm and thus reserved for battle, movement, new beginnings, and festivals. Throughout the month of August there will be numerous blasts of the trumpet, symbolized by the shouting of the people (Numbers 23:21).

**The Collective Breakthrough** - This new spiritual season will bring with it a full restoration of the Kingdom's economy. If you're like me, then you're just a little tired of experiencing lack in the critical area of finance. A supernatural restoration of the Kingdom's wealth will breakthrough into the hands of the children of the Kingdom (Joel 2:25).

**The Revolutionary's Pact** - The final instruction is called The Revolutionary's Pact, a collective agreement to intensify our spiritual disciplines for twelve consecutive days. The pact will commence on **Monday, August 08<sup>th</sup> - Friday, August 19<sup>th</sup>, 2011** and consists of a commitment to:

1. One Hour In Prayer, Daily
2. One Hour In Bible Study, Daily
3. Specific Fasting On:
  - Wednesday, August 10th
  - Friday, August 12th
  - Wednesday, August 17th
  - Friday, August 19th

I am inviting you to join us in this new spiritual season. Wherever you are in the world, you can take part in this great move of God, and together let's walk with boldness into this new spiritual season! See you in the overflow!

With love while *Changing & Affecting Lives*,

Your Pastor, Orim M. Meikle

### **Devotional: Nip It In The Bud**

I've always wondered why the mouse, even after seeing the lethal contraption of the mouse trap and his impending demise, still decides to sneak out in the middle of the night to get the cheese. You would think that after using the same basic device for generations, that the household mouse trap would be rendered obsolete and ineffective. You would think that after centuries of using the same trick, and after the downfall of millions of mice, that the little mouse would consider the death of all his relatives who've gone on before him, and say 'no' to the cheese. But he doesn't...[more](#)

### **Financial Corner: The Risk Of Not Taking Risks**

In the world of investments, taking risks is also important. I get this question all the time, 'How do I grow my portfolio without taking any risks?' Unfortunately, it doesn't work like that. There is a specific relationship between risk and return. The higher the risk, the higher the potential return. Keeping your money safe in a 'no risk' investment may increase the risk of not having enough money to meet your retirement or personal life objectives...[more](#)

### **UTURN Ministries: You Are Nothing Without Love**

There is a lot of noise being made in our world today. The noise of sounding brass and tinkling cymbals can be clearly heard because the efforts of men and women are not backed by the love of God. Helping the poor, philanthropy, songs about love, addressing issues in the world, walking with Christ, you can even throw marriage on the list of things that will...[more](#)

### **Inspiration: Wealth**

Wealth:  
A good name,  
A circle of great minds,
