*"All scripture is given by inspiration of God..." (2 Timothy 3:16)*

Grace and peace be multiplied to you, our ever increasing Canadian and international ministry family, from God our Father through Jesus Christ our Lord.

Welcome to March in this great Year of Increase! Believers are receiving promotions on their jobs; others are moving into new jobs; many are being healed, while for others, beautiful children are being born. God's supernatural is becoming our normal!

After a refreshing period of prayer and fasting, our attention will now shift to the pages of God's Word. March is the **Month of Scripture** and our desire is to know God through His Word. Scripture's importance can be summed up in the following ways:

**Scripture guarantees Our Success** - Allowing the Scripture to shape our thoughts and conduct ensures success in life. God promises good success and a prosperous life's journey because we heed his Word. Like American Express we're never to leave home without His Word. (Joshua 1:8)

**Scripture orders Our Steps** - God has marked out our steps within His Word. We can never go wrong following God's life plan as laid out in Scripture. In fact our destiny can be discovered by searching through the pages of His book. (Psalm 119:133)

**Scripture is Our Supply** - Our daily provisions are more than natural bread. God has designed us as creatures of body and spirit. His earthly bread feeds the body, while His heavenly bread nourishes the spirit, creating the perfect life balance. (Matthew 4:4)

With these precious promises and more, why not consider joining us as we journey through the Scriptures. It's a journey that will take you from faith to even greater faith. And if you've not already signed up for our *Through The Bible* one year reading initiative, it's not too late. To become a part of our reading community simply [click here](#).

Lastly, I am pleased to announce that weekly Bible Study will reconvene in our Toronto location on Wednesday March 02 @ 7:00PM. Join us for an exhilarating time of study and intense prayer, all designed to soak the word even further into our spirits. If you live in the Toronto area I'm looking to see you in class.

Now, may God's word dwell richly in your heart with all wisdom and understanding, in the mighty name of Jesus, Amen.

With love while *Changing & Affecting Lives*,  
Your Pastor, Orim M. Meikle

## Guard Your Heart

*"Watch over you heart (guard) with all diligence (above all else), for out of it flow the springs of life (for it determines the course of your life)."*  
(Proverbs 4:23)

An alternate translation of the last line of the verse above reads, "for from it [the heart] springs life", in other words, a man's heart is inseparably connected to his life in every sense of the word. Our hearts are like reservoirs that catch and store the thoughts released from our minds and the desires processed in our souls, making it ever significant to our speech and actions. You see, the heart stands as both a receptacle and a tributary, both receiving and issuing, both storing and releasing; and of all other outlets the tongue is its closest counterpart. Hence, whenever we speak of the tongue, it is fitting and maybe even necessary to also assess the condition of the heart...[more](#)

## Discovering Your Purpose

You cannot *teach* fish to swim.  
You cannot *train* birds to fly.  
The question is, what do you do effortlessly?

By answering this question prayfully,  
you will discover the *essence* of your purpose.

In the year of increase, decide to *function in your original intent!*

*(Jeremiah 1:5)*

"Before I formed you in the womb I knew you,  
before you were born I set you apart;  
I appointed you as a prophet to the nations."

## Financial Corner: Trade Ya!

Do you remember when we were kids in the school yard; there was always some kid who would be trading cards, toys or even their lunch. 'Trade ya!' they would say. They would come to school with little or nothing and leave with pockets full of goodies. Instinctively they knew and understood the importance of the Principle of Trade.

In the schoolyard of life, 'the market place', the commodities have changed, but the principle still remains the same. Instead of trading cards we now trade stocks; toys have been replaced by precious metals, and the best lunches with corporate best practices...[more](#)

## Maturity is: Discipline

Discipline is key to living a life for Christ; in fact, it is a key component to many endeavours we undertake in life. In school, we apply discipline to how we study in order to score highly on exams. In sports, an athlete applies discipline to his or her training in order to be the most successful athlete he or she can be. Thus, in order to master whatever gift one may have, discipline must be applied in the form of hard work, sweat and tears...[more](#)
