*"Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee"* (Isaiah 60:1).

To our great and glorious global family of Rhema Ministries everywhere, God's blessings to you through Christ our King!

I want to welcome you to 2009, **The Year of God's Glory**. After such a wonderful holiday season, I am sure that you've crossed over into this New Year with a passion and a determination to see the glory of God fill the earth as waters cover the seas.

I boldly confess that this will be your greatest year; a year in which you shall do the impossible without effort; a year where you will see the invisible promises of God with clarity; and a year when you who are named after the Lord shall experience His overflowing, supernatural blessings without measure. Get ready for His glory! Here's what you should expect in 2009:

**His Glory Will Establish You** - Nothing shall move you from the place where God has assigned you to be. This year your foundation will be strengthened such as never before. His glory has come to provide the enduring stability needed to weather every storm and to overcome every demonic assassin. You will be unmovable! (Psalm 125:1).

**His Glory Will Empower You** - This year you will realize that you are far more powerful than you know. As His glory invades your life so His power will be unleashed within you. Be prepared for endless possibilities and overcoming omnipotence. What you could not do before, will be done this year! (Psalm 110:2).

**His Glory Will Exalt You** - This is the year of unprecedented promotion. His glory comes to take you even higher than where you are right now. Doors will have to open for you, opportunities will search for you and favor will find you. Your direction in 2009 will be upward!(Psalm 37:34).

2009 will be a year unlike any other. I encourage you to enter with reverence and with great spiritual sensitivity. To further assist you we have dedicated our January mid-week services as a time of serious prayer. I invite you to join us as we ensure that everything that we do originates from the presence of God's glorious face.

Now, get ready for a great move of God, from glory to glory in this, **The Year of Glory!**

With much love while changing & affecting lives,

Your Pastor, Orim M. Meikle

The buzz all around seems to indicate that the finances at the top of the global economy today are no longer adequately reaching people at the bottom. Governments are seemingly forced to design financial packages in response and in hopes of stimulating local economies. For many this means loans to consumers who can then resume their spending habits. So far, this plan has met limited or little success both in the G20 economies as well as in the developing countries.

What are we to do as the merchant ship of God? What is the Church of Christ called to do in this hour?...[more](#)
