"Thy word is a lamp unto my feet and a light unto my path" (Psalm 119:105)

To all my sons & daughters, partners & supporters of Rhema Ministries, grace to you and peace from God our Father through the name of our Lord Jesus Christ.

Welcome to the month of March and the scintillating scent of spring. Yes, spring is in the air and here at Rhema we are getting ready to experience a supernatural rebirth.

March is Word Month and we are preparing to plunge into the living Word of God for thirty one (31) days. Word Month will be a life-changing journey!

Here's what I need you to do during this month:

- **Read The Word** – Throughout the month I need you to spend as much time as possible simply reading the Bible. Reading is the best way to become acquainted with God's Word. Reading will develop both your knowledge of the Word as well as your appetite for the Word. The Bible is compared to food (bread). In fact, as you are reading it is as if you are eating food. This month Eat the Word! (Revelation 10:9)
- **Think The Word** – After you have read the Bible the next step is meditation. By taking the time to reflect upon what you have read, you are now retaining the Word. Again, if this were a meal, meditation would be the act of digesting what has been eaten. The longer your mental focus is on the word, the greater an impression will be left upon your heart and mind. This month Think the Word! (Psalm 1:2)

- **Live The Word** – The final step is that of acting upon the word. Now that you know, and you have thought about it, the only thing left is to Do It! By putting the Word into practice in your daily life, you are now living the word. Simply put you are literally the word made flesh. This month Live the Word! (John 1: 14)

This month I'm inviting you to join us online at [rhemaonline](#) as we read the word of God daily. Our focus will be Psalm 119 which is referred to as an acrostic psalm because it uses the Hebrew alphabet to present the Word of God. It is literally an A- Z presentation of the Word. Each day we will focus on a section of this Psalm or a letter of the alphabet. You don't want to miss this month.

Now may the supernatural blessings of increase and overflow be released into your life, in the name of Jesus Christ.

See you in His Word,

Your Pastor, Orim M. Meikle

EDITOR'S DESK

There are moments when it is difficult to think, that there could be anything more important than words, the foundation on which all things are created. Creating anything begins with the word united with the power to mobilize an accomplished level of works in support of the word. In the beginning, the world was created using this mighty tool by a sovereign God who in His eternal perfection embodies everything that was needed. He created man out of His wholeness and subsequently gave man the ability to call out the name of every living thing - He gave us authority over creation and the Word as an implement of mastery that we would be successful in that endeavour.

Vocational discipline whether law, medicine, science, teaching etc., has at its foundation a purpose to acquire (learning) and master (application/mobilization) a new language to be applied in a specific social context. Writers master the use of the elements contained in words to create the image they wish to project; each word carefully chosen from an archive waiting for the right purpose much like a designer who chooses, just the right elements contained in colour or shading to tell a story in the context of artistry.

Words have an importance even more fundamental in our every day lives beyond language and the natural ability to communicate with one another. As a critical thinker we will have a window into the power of the words which reflect the design of our own lives and realize that those that we surround ourselves with reflect who we are.
