*"Who can find a virtuous woman ... Favor is deceitful, and beauty is vain: but a woman that feareth the LORD shall be praised" (Proverbs 31:10a, 30)*

To all my sons & daughters, partners & supporters of Rhema Ministries, grace to you and peace from God our Father through the name of our Lord Jesus Christ.

Welcome to the month of May. Here at Rhema we have allocated this month for the celebration of the female gender under the theme Women's Possibilities Month. Throughout this month we will be exploring the wonders of the female gender. In the genesis of time God made human beings as male and female; each possessing their own unique strengths and qualities intended to be unified in one whole (Genesis 2:24).

Much has happened over the years that has tainted this wonderful union of male and female. It is incumbent upon this generation to restore the true concept of humanity as expressed equally through the genders. Here are some thoughts on the wonders of womanhood that I would like you to prayerfully consider.

- **Women are Wise** - In the Bible wisdom is personified as a female. Using the poetic device of personification, God conveys a great truth concerning the female gender. He has endowed the woman with wisdom to be a helper to the man in the same manner that the Holy Spirit is a helper to the believer. The wise woman comes alongside the man as his suitable compliment and only does him good, (Proverbs 31:12)!
- **Women are Workers** - In contrast to the notion that only men are called to perform tasks that impact the world, the Bible teaches that the woman is a co-laborer with the man. She has been called to share in the dominion mandate. In this area practical wisdom teaches that two are better than one, (Proverbs 31:13)
- **Women are Weapons**- Finally, it is important to realize that the woman is a weapon against the devices of the enemy. The union of male and female is a sure remedy against all demonic intrusions. A good woman is the devil's worst nightmare --- whether she be mother, wife or sister --- she is still woman, (Proverbs 31:17)

I invite you to join with us this month as we make a conscious effort to extol the beauties of the woman. We celebrate womanhood as expressed in our grandmothers; our mothers; our wives; our sisters or our daughters --- for the glory of the man is the woman.

Now may the supernatural blessings of increase and overflow be released into your life, in the name of Jesus Christ, Amen!

Advancing the Kingdom Vision,

Your Pastor, Orim M. Meikle
