*"Now when he had left speaking, he said unto Simon, Launch out into the deep..." (Luke 5:4)*

To our global ministry family, grace and glory to you from God our Father through our Lord Jesus Christ.

Welcome to October, the month of New Dimensions! There is great excitement in the air at the thought of where God is taking His people and what He is revealing to us. To quote St. Paul, "Eye hath not seen, nor ear heard, neither have entered into the hearts of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit." In the midst of a world in turmoil, global economic crisis, social and political upheaval, God has chosen to reveal a glorious new dimension of His Kingdom. Here is what this moment holds for us as believers:

**A Deeper Level of Revelation** - God has chosen this moment to make clear what has been hidden in His mind from eternity. Like embedded treasure which requires the expertise of mining, God is giving access into the hidden mysteries of His ways and His works in the earth. We are being called, by His Spirit, into this place of deeper knowledge, (Psalm 42:7).

**A Deeper Walk of Faith** - The results of this revelation will be manifested in a deeper level of faith. We are being motioned away from the shorelines of Christian experience into a deeper experience of God through His Spirit. Just like Ezekiel, God has measured and is inviting us to move beyond the superficial out into the deep. The further we go, the higher the waters will rise around us, forcing us to cease from walking and to swim; an act which points to our dependence on the very depth for our survival and not our own abilities, (Ezekiel 47:3-5).

**A Deeper Level of Glory** - Deeper waters always release deeper levels of glory. God is enlarging Himself in us that we may enlarge His presence in this world. This level of glory is beyond our comprehension for it shall fill the whole earth as waters cover the seas, (2 Corinthians 3:18).

I boldly invite you to be a part of this movement into the deep. My spirit is alive like never before with expectation. As a part of this great experience be sure not to miss the conference event of the year, **The Next Dimension 2008**. Our apostolic voices will be **Bishop Eddie L. Long**, **Bishop Joby Brady** & **Bishop Tudor Bismark**. Together we will be moving line upon line into a new dimension. For more conference information simply log on [www.rhemaonline.ca](http://www.rhemaonline.ca) and follow the links, or click on the ad contained in this newsletter.

I am looking forward to walking with you in the deep!

## Choking Points in Kingdom Business

Contributing writer - © Dimitri Boweya-Ngombo

When someone is choking in our midst, someone who understands CPR is called to step up to the plate and respond with haste and precision. Otherwise the person in need may obviously choke and die. In order to save the person's life however, not just any response will do but a very precise one.

After the Lord's crucifixion, the Church experienced what could be described as a major challenge or a choking point. Christians at the time were forced to hide and the name of Jesus was no longer mentioned in public. In response to this experience, the Apostles gathered in the Upper Room to pray. There they received precise...[more](#)
