The Year of Glory

Vol 4, Issue 45

© Senior Pastor Orim M. Meikle

*"This beginning of miracles did Jesus in Cana of Galilee, and manifested forth his glory; and his disciples believed on him" (John 2: 11)*

Supernatural grace be extended to our ever increasing Rhema Ministries family across Canada and around the world, from God our Father through Jesus Christ our Lord.

The month of October is upon us, fall is in full swing and here at Rhema we are stepping into a new dimension filled with supernatural signs and wonders. We are boldly declaring that the **Season of the Supernatural** has arrived!

After ten years of ministry, a period that we like to refer to as our wilderness journey, we have come to the place where we will not only see but experience the supernatural move of God. As a ministry we have come through great trials filled with much hardship, successes have been intertwined with failures, people have come and people have gone, but God has been our Faithful Guide leading us to this place. From this place we will begin to see the next move of God and the **Supernatural is God's Next Move!**

Now it is not just within the Rhema organization, but throughout the collective body of Christ we are entering an unprecedented season of the supernatural. This is a season that will be characterized by unimaginable miracles and unparalleled signs and wonders culminating in unprecedented numbers coming to faith in Jesus Christ. Through the power of God we are going to witness the restoration of sight to the blind, hearing to the deaf, healing for the lame, deliverance for the bound, even life being restored to the dead. From around the globe nations will come up to the mountain of the Lord, the house of our God, because they have heard and have come to experience this supernatural season.

Working in sync with God the month of October is also the time for our Next Dimension Conference, a conference designed to delve even deeper into the supernatural. I would like to personally invite you to join us on October 9th as we flow with the supernatural ministry of Pastor Paula White. This year's conference promises to be filled with the miraculous. If you require more details on the conference simply log on to [www.rhemaonline.ca](http://www.rhemaonline.ca) and visit our conference page.

Now may the blessings of the Lord be with us all we step into this great season of the supernatural. Get ready for the miraculous!

With love while Changing & Affecting Lives,

Your Pastor, Orim M. Meikle

**Scripture Reading:** Matthew 11:12 KJV, Mark 4:8 KJV & John 7:46 KJV

**Scripture Focus:**

*"And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force." Matthew 11:12*

*"And other fell on good ground, and did yield fruit that sprang up and increased; and brought forth, some thirty, and some sixty, and some an hundred." Mark 4:8*

*"The officers answered, Never man spake like this man." John 7:46*

In most Western societies, existing laws must adhere to two key principles in order to be valid:

- 1- Territory: Proposed laws that will serve to regulate people's lives in a set territory.
- 2- Competency: Proposed laws which originate from people/institutions duly mandated to do so.

For example, in a federal country like Canada, federal laws can only come from the federal authorities while provincial laws are coined by provincial authorities and then municipal laws from municipal authorities. Based on certain agreements between these parties, each level of government will only speak to the realities that are meant to affect their specific region. The same was true in the time of Jesus when he walked as the Son of Man. [...more](#)

## Rhema Ottawa Moves

We have come this far by faith, leaning on the Lord!

The word of God states that "the steps of a good man are ordered by the Lord: and He delights in his way" (Ps.37:23). This would suggest that each pivotal step or stage in the life of the believer has been divinely orchestrated by the Lord. We are bold to say that we are not surprised by this new step that God has brought us into, due to the fact that we, as a ministry, have been focused on the vision to "change and affect lives" and seek for continual insight on how to fulfill this mandate in order to burst into the Next Dimension of Glory! Our transition out of the St-Patrick's High School into a centralized location designed for worship and Kingdom Service is a definite master feat. It is our testimony that favor did meet with opportunity and caused us to step unto this new Rock.

So what shall we do now?

We shall continue to build upon that Rock, knowing that each stone is a step of Glory!
