TIS THE SEASON FOR HIS GLORY

To all my sons and daughters,
partners, friends and supporters
of our great ministry, grace to
you and peace from the Lord
Jesus Christ.

As the doorway which led us into
the year 2006 rapidly closes and
with the advent of the holiday season and the
dawning of a new year, I would like to take this
moment to thank you for all that you have done
over the past year.

Thank you for your dedication to a vision given,
but not yet realized. It has been your midwifery
that is birthing the greatest expression of the
Kingdom of God.

Thank you for your drive to see the glory of God
cover the earth. It has been your steadfastness
that has kept the torch of the Kingdom lit and
ever burning

Thank you for your financial faithfulness. It has
been your commitment that has allowed the
cause of Christ to continue throughout the earth.

Whether you have served here at Rhema
Ministries in Toronto; Ottawa or Calgary; or you
have supported us through partnerships or with
prayers; or have simply spoken well of us;
whatever you have done and wherever you have
done it, thank you for doing all in the name of the
Lord Jesus Christ. God has been glorified through
your efforts.

I would also like you to inform you that we are
serving the Kingdom in unprecedented times and

at an unparalleled moment in human history. Never in the unfolding drama of God and man, has the future appeared so bright to those who love the Lord Jesus. Christ is indeed King of all and with each revolution of the earth, the days draw nigh when this glorious truth will be proclaimed throughout every nation in this world.

"[For] He shall have dominion also from sea to sea, and from the river unto the ends of the earth" (Psalm 72:8)

And so as we make the exodus out from the year 2006, stepping boldly into the genesis of what will be in the year 2007, we do so with a glaring confidence that He who has called us is faithful and He is well able to finish the good work that He has begun within us.

Now, may the blessing of God which maketh rich and addeth no sorrow rest upon you this holiday season. May your generation be blessed and may the very work of your hands prosper--in the name of Jesus Christ, our Lord. Amen!

Seasons greetings and God's best for the holidays,

Pastor Orim M. Meikle

Prayer of Reflection

Father, with humility and gratitude we honour you for it is you who have poured into us of higher things. We have committed to the vision unveiled and have heard your call to set a new precedent of unapologetic boldness. As the pace quickens a palpable sense of peaceful urgency has become a central theme. We have learned to hear, the interval between hearing and knowing your voice and taking action continues to narrow. We are no longer living for self but instead for the completion of something greater.

We will continue pushing forward bursting through each door that opens without hesitation. Unaffected by efforts to thwart your victory, we cry, Adamas!*

As our relationship has deepened our lives have been transformed and a testimony which as the narrative propulsion of any interesting biography

First Fruit Giving Testimony

Faithful in tithes and offerings, I had no idea of the blessings I was preventing by not knowing more about First Fruit giving. I truly believe that because I planted, God blessed and provided just like He said He would.

2006 declared the Year of Prosperity has been just that. I would like to share with you the importance of being under the covering of a man of God who will *teach* the Word of God. Thank you Pastor, for teaching the world of God with passion and truth.

In the spring of 2006 my previous place of employment was privatized, leaving me without a job. With no options offered from the private sector, I had a grace period of a few months in which to find one. How many of you know it wasn't their grace but God's? He sent an angel into my life at the right time. I now have a permanent job, with everything I have prayed for. In particular continual employment so that I may give to the Kingdom.

I encourage you to plant first fruits in 2007. You will be blessed! Doors will open and God will do amazing things that will leave you speechless at the wonder of His goodness and faithfulness. First Fruit is a special financial seed you bless God with at the start of the New Year.

I have a whole new perspective and appreciation of giving. I envision my borders enlarging, and abundant increase in 2007!
